Marine Clinometer

Art. Nbr. 155 / 0911

Manufacturers Certificate

We herewith confirm that the Marine Clinometer supplied is manufactured solely in Germany. Only selected material was used during production of this instrument to exclude the risk of claims for whatever reasons.

Due to repeating tests and controls during and after production, we can guarantee for best workmanship and excellent quality.

We can further assure you that this clinometer left our premises in perfect condition.

Please note that we cannot be held responsible for defects caused by misuse or inconvenient transport handling.
