

Brazil Flag 2-Ply – National

The **Brazilian Flag – 2-Ply Fabric** with dimensions of 90cm x 128cm is manufactured from durable material with high-quality national finishing. Designed with two fabric layers (2-ply), it ensures greater durability and resistance to continuous outdoor use, especially on vessels, ports, and naval facilities. It officially represents the country in compliance with the required standards for nautical signaling and maritime protocols.

COD EUROSUL: 090411

IMPA: ---

Part Number: ---
