

Cyalume 6 " / 15cm – Luminosity up to 12h

The Cyalume 6 " / 15cm flag is essential equipment for rescues, emergency operations and confined environments, providing reliable lighting without battery or maintenance. Safe and practical, it does not generate heat, sparks or flame, being ideal for use under adverse conditions, such as areas with risk of explosion, underwater operations and night signaling.

COD EUROSUL: 002351

IMPA: ---

Part Number: ---
