

## Sailor's Pocket Knife With Chicker

The pocket knife with a choir is a versatile and essential tool for maritime activities. Designed to meet the needs of sailors and browsers, it combines a sharp knife with a robust mincer, ideal for rope and cable manipulation. It also has an integrated opener, increasing its functionality in onboard situations. Compact and durable, it is manufactured with corrosion resistant materials, ensuring reliability even in demanding maritime environments.

**COD EUROSUL:** 003947

**IMPA:** ---

**Part Number:** ---

**Approvals:** ---

## Specifications

### Features

**Blade:** Sharp knife for precise cuts

**Marlinspike:** Robust tool for handling ropes and knots

**Opener:** Additional function for onboard convenience
