

Emergency Pyrotechnic Kit Hobby Eurosul – SOLAS/DNV Certified

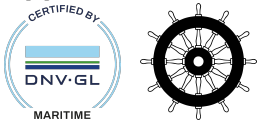

The Emergency Pyrotechnic Kit Hobby Eurosul is an essential set for maritime signaling, ensuring compliance with SOLAS/DNV standards and approved by the Navy. Designed for small and medium-sized vessels, this kit provides high visibility in rescue operations and adverse sea conditions. The flares are stored in a watertight case, protecting against moisture, impacts, and weather conditions, ensuring maximum safety and durability.
