

ATEX Throat Microphone with PTT IP67 for DX585M Radio

The CXR16/DX throat microphone with IP67 PTT unit is engineered for high-noise environments, delivering clear and intelligible transmissions. Compatible with the Entel DX585M radio, this ATEX-certified accessory is ideal for potentially explosive atmospheres. The ergonomic design ensures direct contact with the throat and connects to the PTT unit via a Nexus connector.

COD EUROSUL:	094604
IMPA:	---
Part Number:	CXR16/DX
