Pneumatic Needle Scaler JEX-28 / SP-28 – Complete Unit with 28 Needles, 3 mm

Pneumatic Needle Scaler JEX-28/SP-28, ideal for removing rust, weld slag, and scale deposits. Equipped with self-adjusting needles, excellent for corners, curves, and irregular surfaces.

COD EUROSUL:	001123
IMPA:	590464
Part Number:	JEX-28/SP-28
Approvals:	---

Specifications

Features:
Model: JEX-28/SP-28
Air Inlet: 3/8"
Applications:
Marine, offshore, shipyards, workshops, and metallurgical industries.

Benefits:
High efficiency
Easy access to hard-to-reach areas
Rugged and portable.

Technical Specifications:
Model: JEX-28/SP-28
Needles: Ø3 x 180mm – 28 units (main configuration)
Air Inlet: 3/8"
