Specifications

Overview

Mooring indication buoy with hardware, designed for marking and supporting mooring operations. The yellow finish improves visibility on deck, while the 273N buoyancy supports safe onboard use.

Application and use

Suitable for marking mooring points and supporting berthing and mooring routines. It helps keep the operation organized and makes the working point easier to locate.

Construction characteristics

Color	YELLOW
Sub-item	WITH HARDWARE

Technical specifications

Buoyancy	273 N
Height with hardware	57 cm
Inner diameter	1.6 cm
Approximate weight	3.58 kg

Marking and traceability

SKU	094151

Handling, service life and disposal

Store in a dry, clean place protected from impacts to preserve the buoy and hardware. Inspect before use for wear, deformation, or damage. At end of service life, dispose of it according to applicable environmental practices and internal procedures.
