

Class IV Vertical Life Jacket – Collar Support

The Class IV Vertical Life Jacket is designed to provide maximum safety for professional marine, port, and offshore operations. Approved by the Brazilian Navy (NORMAM 05/DPC), it offers 90N buoyancy and is built with closed-cell polyethylene foam and heavy-duty polyester fabric, ensuring durability and comfort. Equipped with SOLAS whistle, SOLAS reflective tapes, radio holder, adjustable crotch straps, and reinforced acetal buckles, it ensures secure use in demanding environments.
