Specifications

Overview

RESTECH PN 7023 replacement rubber tip for projectile PN 7004. The part is designed to replace the corresponding component in the set, maintaining compatibility and correct accessory use.

Application and use

Suitable for survival kits and line thrower equipment using projectile PN 7004. It is a spare part for set maintenance and operational readiness.

Construction characteristics

Product type	RUBBER TIP
Sub-item	FOR PROJECTILE
Compatibility	Projectile PN 7004

Technical specifications

Part number	7023
Weight (kg)	0.18
Length (cm)	4.0

Width (cm)	5.0
Height (cm)	8.0

Marking and traceability

SKU	092146
Part number	7023

Handling, service life and disposal

Store in a dry, clean place away from excessive heat and direct sunlight. Inspect before installation and replace if there is wear, deformation, or damage. Dispose of it according to the environmental and operational procedures applicable to elastomeric materials.
